Playa de Luna is located inside the Bergeggi Nature Reserve. It welcomes its guests in an elegant and exclusive setting. The fine sandy beach is equipped with beach umbrella, beach loungers, private changing rooms, or dressing rooms, hot and cold showers. Among the services offered to customers are Canoes and Pedal-boat hire for visiting the Marine Cave (the most important of Liguria), and Bergeggi Island, in a natural oasis where it is easy to see fish and other creatures of this ecosystem. The bathing structure is equipped with a play area with Table Tennis, Table Football, Slides and Beach Toys available free for younger guests.

For your complete relax you can also have fun with:

Free Wi-Fi throughout the bathing structure

Sky sport TV + various digital channels

Beach Service for an aperitif directly to your beach umbrella

The Restaurant offers refined fish cuisine (but not only) as well as a salad or a cold dish, and is always open for lunch and on weekends for dinner, with the terrace overlooking the sea offering an unforgettable location.

We have an extensive wine list and an extensive selection of italians and ester beers.

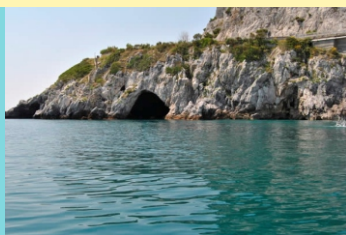

If you would like to experience all of this or just to learn more, please visit our website and above all contact us !!!
